GRADES 1-3

Nancy

Your children have been doing a wonderful job learning about the family and fall. We have been also learning to read easy words. Your children have a list of words to study for homework. Please have them practice a little bit every day. They also will be bringing home easy stories to read every now and then. These stories contain the words that they have been studying. Please have your child read the story to you. If they cannot read it, you can read it to them. Your child does not have to read everything perfectly. A little practice each day is all I ask for. I do not want your child to get frustrated or discouraged in any way. Please feel free to email me at any time if there are any problems.

In September we:

- learned about family.
- made family speeches.
- studied about fall.

In October we will:

- complete a Columbus Day activity.
- learn about the farm.
- carve Jack-o-Lanterns.
- complete Halloween activities.

Happy fall! The students are doing a great job writing simple sentences after they have read their new readers. We have also been practicing how to identify the key elements in the story such as, beginning, middle and end. This way they are not only reading, but also understanding what they have read. The students are doing a great job with this. Please continue to take your child to the library and have them reading at home. It will help with the process of learning English.
