## Grade 1 - 3

<b>Robin</b>	<p>The class did a wonderful job this first trimester. They were very excited to come to class prepared to learn and participate. This month we started library Friday. Every Friday your child is allowed to take out a library book. Please make sure your child returns their library book every Friday, so that they can take a new book home. Each student is given a reading log weekly that they are to fill out. They also have a reading chart in their folder. If they read and fill out the reading log, then they will receive a sticker on their chart. The class is progressing very nicely with their vocabulary and phonics workbooks.</p> <p><b>In June we:</b></p> <ul style="list-style-type: none"><li>• continued working on who plus what sentences</li><li>• read short stories and identified the characters, setting and problem</li><li>• learned about prepositions and completed sentences using prepositions</li><li>• reviewed nouns, verbs, and adjectives</li><li>• learned about synonyms and antonyms</li><li>• made a Father's Day craft</li></ul>
