## Grade 1 - 3

<p>Nichole</p>	<p>Your children are progressing nicely. They are excited to learn, and are improving their English each month. This month we learned how to read and write. We also learned how to read aloud, write, and spell words from the story.</p> <p><b>In February we:</b></p> <ul style="list-style-type: none"><li>● learned how to read and write.</li><li>● were introduced to new spelling words.</li><li>● learned how to read with words ending in im such as swim and tim.</li><li>● were introduced to use a period and comma in a sentence.</li><li>● reviewed writing and spacing.</li></ul>
<p>Renata</p>	<p>The class is progressing very well. We are focusing on building our sight word vocabulary. Our word wall is growing and the students are learning how to use the new sight words to create sentences. We continue to work on phonics and reading to build better fluency. We paid tribute to Black History month and learned about Dr. Martin Luther King. The class learned about traditional holidays such as Valentine's Day, President's Day and even Groundhog Day! We wrote and created Valentine's Day cards and crafts and learned about George Washington's childhood.</p> <p><b>In February we:</b></p> <ul style="list-style-type: none"><li>● learned about Black History Month.</li><li>● created Crafts and wrote cards.</li><li>● studied Valentine's Day traditions.</li><li>● researched Groundhog Day.</li><li>● learned about President's Day.</li><li>● continued focusing on Reading &amp; Phonics.</li></ul>

## Robin

I am so proud of how well the class did writing how-to speeches and presenting them. They also did a great job on writing descriptive sentences for show-n-tell. We learned how to write an acrostic poem this month, and they were very creative coming up with their own. We had a lot of holidays to review this month and had fun doing it. The class worked really hard this month. Great Job!

### **In February we:**

- wrote a how-to speech.
- read and wrote an acrostic Valentine's Day poem.
- wrote descriptive sentences about show-n-tell items and presented it to the class.
- read Scholastic News on President's Day and completed a main idea worksheet.
- reviewed compound words.
- learned about articles a and the.
- introduced conjunctions and, but and or.
